"As a business, one of the things we have enjoyed so far working with OHS is that they have pushed into understanding our business and creating a sense of partnership. Overall, something I have appreciated as a business owner is knowing that I am not just paying a fee for a product, but we are also getting people who are thinking about how we can do our business better."

LISA CURREY-MD: HAMILTONS IN CREATIVE CO.

"It has been the best investment the business has made to date, as it has been an investment directly into the staff. Staff have been invested in, which has resulted in them being more invested in the business and its interests. From a performance point of view, all the staff want to do is excel. Team leaders have been able to start using this tool to identify and utilize the strengths in their teams within their departments, resulting in teams working in more supportive environments, thanks to better understanding and knowledge of the staff member."
